

Mercury Webinars- April Schedule

Each month we will be hosting one, all encompassing session for each line of business. Each session will cover everything from quoting, processing policy changes, tips for working Agency Activities, pulling reports, as well as system navigation.

We are pleased to introduce a new webinar this month on **Cross Selling**, be sure to register today!

Click below to register for this month's 60 min sessions.

Note- sessions are listed as **Pacific Time**. [CLICK HERE](#) to see your time zone.
