AmTrust New Jersey Covid-19 Update

Dear AmTrust Partner,

We hope you, your family and co-workers are staying safe and well as you prepare your agencies for the reopening of the state.

Our company plans to meet the New Jersey requirements by sending a policyholder communication prior to July 1 advising them of premium modifications available due to COVID-19. If your agency has a policyholder affected, you will receive a copy of the letter being sent. Moving forward, we will continue to communicate information to our insureds as outlined by the New Jersey governing bodies.

AmTrust values the trust you place in us through our shared clients, and continue to develop strategies to maximize customer retention and overall satisfaction rates. We appreciate your business, but more importantly, our relationship!

Please feel free to reach out to any member of our team with questions or concerns.

Thanks,

Kraig Rahe - VP Sales – Northeast Region
